

JONAH SOUL WINNING MINISTRIES

MY MISSION TRIP TO CALIFORNIA, U.S.A.

MARCH 19 TO JULY 24, 2005

Dearly Beloved in Christ,

It was on the 19th of March 2005 that I, Pastor OKECHUKWU E. JONAH arrived Bishop, California USA on a mission trip to bring God's message on Revival / Spiritual Awakening, Repentance, Evangelism and prayers to the city and the churches.

I gave God the praise for my host in Bishop – Pastor Mark Disbrow and the family, I started the mission in his Church – The outdoors Church Bishop, where I preached the word of God and accompanied him a number of times to personal Evangelism where we met people in their homes and share the gospel with them. I also met with a lot of pastors of the city and shared with them my mission.

With the help of pastor Mark and other pastors of the city, I initiated a one day program called “Healing of the Land” this saw the gathering of the churches of the city of bishop together in Barlow Gym.

I was the guest speaker, I spoke on unity of the body of Christ, spiritual awakening to do the work of God, we prayed for healing of the city and individuals.

God honoured our prayers by healing people that were sick in our midst, a lot of people repented from their lukewarmness, and many saw revival stir their hearts for the work of God.

After these, I was invited by a lot of pastors in the city to ministers in their churches on revival. By the grace of God, I preached the word of God at :

- 1- The outdoors Church, bishop California
- 2- House of Prayer Church, Big Pine, California
- 3- House of Mercy Church, Bishop, California.
- 4- Calvary Baptist Church Women's Bible Studies, Bishop California.

I thank these pastors for hosting me in their homes, during my mission work in Bishop, California :

Pastor Mark Disbrow

Pastor Michael and Ruthea Wolford

Pastor Jan Barron

I gave God praise for what he did in the city of Bishop during my mission's work.

I left the city of bishop on the 26th of April 2005 to Los Angeles Area (South bay) to continue my missionary work, this was made possible through the help of my friend , pastor Mark Disbrow. I was received by pastors Chris, Todd and Dan, all of King harbour Church Torrance and was hosted by the members of this Church.

Elder John and Julie Velasquez hosted me in their home for few days and elder Douglas and Katty Lowe hosted me for the rest of my days in South bay (Southern California).

These are the churches and groups that opened the door for me to bring God's word to them.

=Interdenominational prayer meeting at Rolling hills church, Rolling hills, California.

=A prayer meeting at Orange country, California.

=Saint Andrews Presbyterian Church morning prayer meeting, Redondo Beach, California.

=South Bay Prayer Conference : I was the only guest speaker at the Southbay prayer conference that took place in two churches, Coast Christians fellowship and Lawndale Christians Church on June 17- 19 2005. Men and women from different churches in South bay California gathered in these two churches to listen to the word of God. Through the grace of God , I lectured on biblical unity and its results. Fasting and prayer and spiritual warfare.

There were special prayer sessions for personal healing – Restoration and healing of the land of South bay.

God extended his mercy towards us in this three days - that we saw repentance, personal healing and revival that broke out in the life of many people that attended this conference. There were still testimonies of what the Lord did in the lives of people through this conference in the South Bay up till now.

My greatest joy is the revival and God's touch to the lives of people in all these churches and prayer groups where I have ministered the word of God.

There are tremendous testimonies from Bishop to Los Angeles / South Bay , California. For what the Lord did during my visit . many are thanking the Lord for bringing me and I being obedient to come. In all these things may the name of God be glorified who have done these great and mighty things in these churches and in the lives of people.

As my mission ended, I left California , USA on July 24, 2005 and flew back to Cameroon Africa to continue my Evangelistic work .
